**Others** (please specify): \_\_\_\_\_

Most of the Museum's volunteer projects are open exclusively to Members of Pointe-à-Callière. Following an application review, volunteers are called on to take part in special projects requiring volunteer support at the Museum. Whenever possible, we try to meet our Members' interests when filling specific needs, while at the same time respecting availability and work schedules for both parties. **Please note that you will be contacted about volunteer opportunities by email**
